3. How do you relate to the statement “Evangelization is the essential mission of the Church?”
4. How does your parish provide opportunities for evangelization of the parishioners?
5. Have you ever experienced an “abandonment of your faith”? If so, what brought you back?
6. What have the conversion experiences been like in your life? Were they sudden, life-changing events or gradual through the RCIA or other faith formation opportunities?

7. How do you continue the process of ongoing conversion in your life?
8. How have you taken this ongoing conversion in an outward direction for evangelization to your family, your community and your world?
9. How could our faith formation programs for adolescents and young adults be improved to enable them to share their faith with others as they enter college or the workforce?
