Friday, October 4 - Workshop Session #3 (3-5 p.m.)

Workshop Options:

- EdCamp:

Unlike traditional conferences which have schedules set months in advance by the people running the conference, Edcamp has an agenda that's created by the participants at the start of the event. Instead of one person standing in front of the room talking for an hour, people are encouraged to have discussions and hands-on sessions. Sponsors don't have their own special sessions or tables, all of the space and time are reserved for the things the people there want to talk about. Come with ideas and questions that you would like to discuss with other Catholic educators from around the diocese.
