2. How do you prepare to use the Catechetical Process (slide 9) in your lesson planning?

3. What is the best way to be prepared for when something goes wrong in delivering a lesson?

4. What is the discipline plan you use in your classroom? If working with adults how do you make sure that the adult learner is in a safe environment for learning to take place?

5. What skills do you consider to be your strengths and how do you build up those that are not as strong?

6. **Synthesis Question:** How will you incorporate this learning into your ministry? Or How do you envision the points presented in this webinar will influence (or perhaps not influence) the way you engage others in ministry? Or How has this webinar enriched you personally?
